NO PAIN MINNESOTA:

Non-Opioid Pain Alleviation Information Network

Funded by Minnesota Department of Health & Conducted by Hennepin Healthcare

Are you a chronic pain patient? We would like to interview YOU about your treatment!

What we are doing:

We are talking with patients, physicians, providers & administrators to understand the difficulties and ease of accessing & utilizing nonnarcotic/medication treatment options.

- How do we find non-narcotic pain treatment services in MN?
- What makes it difficult/easier to access & utilize these services?

What you should know:

Conversations will be held on web-based technology such as Zoom or Skype

Your time will be reimbursed with a \$20 Amazon giftcard
